**Singapore June 8<sup>th</sup> 2017** —AngelEase received the award for **Best Peer-to-Peer Crowd Investing Platform in China** in The Asian Banker Financial Peer-to-Peer Audit Awards Programme 2017. The awards ceremony was held in conjunction with the prestigious Asian Banker Future of Finance Summit 2017, the foremost annual meeting for decision makers in the financial services industry in the Asia Pacific region, held at the Asian Civilisations Museum, Singapore.

**AngelEase utilises internet finance technology to provide crowd financing service for enterprises and investors**

Taking advantage of internet finance technology, AngelEase built the first Chinese crowd investing platform to provide cloud service for enterprises and investors without the restrictions of time and space. With the hope to create the angel ecosystem, AngelEase improves the domestic investment environment of early projects and helps to develop Chinese new economy.

**The platform connected to Big Data Enterprise Credit System to ensure investment security**

In 2016, AngelEase connected to the Big Data Enterprise Credit System which includes more than 30 regulatory administrations or government sources for credit data of over 87 million Chinese enterprises. With this channel, angel investors can obtain an overall perspective of enterprise situation before due diligence, which is unique in all domestic lending platforms.

**The platform has access to high-quality projects based on the network of CreditEase**

As the first Chinese peer-to-peer (P2P) company, CreditEase has been committed to providing financial service for the people and enterprises which are not valued by traditional financial system. Based on the network of CreditEase, AngelEase has the access to the projects with best quality or even the parent fund, which could enable it to develop more business cooperation.
