- **The bank boasts a vast global presence with superior service and quality**
- **It explores opportunities in new technologies through partnerships and investments**
- **The bank also provides total solutions for global transaction banking**

Singapore June 9th 2017— MUFG's Bank of Tokyo-Mitsubishi UFJ received the award for **Best Japanese Yen Clearing, Best Asian International Transaction Bank in Asia Pacific and Best Transaction Bank in Japan** in The Asian Banker Transaction Awards Programme 2017. The awarding ceremony was held in conjunction with the prestigious Asian Banker Future of Finance Summit 2017, the foremost annual meeting for decision makers in the financial services industry in the Asia Pacific region, held at the MAX Atria@Singapore EXPO, Singapore.

MUFG boasts a vast global presence with superior service and quality

MUFG provides transaction banking services across its worldwide network spanning more than 50 countries, in particular cash management, Japanese Yen (JPY) payments and securities clearing, JPY custody and trade finance, funds administration and agency services. The overseas offices have a significant on-ground presence and capabilities to meet clients' local needs.

The bank explores opportunities in new technologies through partnerships and investments

MUFG has a longstanding tradition of digital innovation and opened a new innovation lab in Singapore in 2016 to explore the development of financial technological solutions. The bank is also active in the R3 consortium and Ripple's Global Payments Steering Group's efforts in spearheading new payment applications and standards, reaffirming MUFG's commitment to bringing the latest technology to clients.

The bank provides total solutions for global transaction banking

COMSUITE is MUFG's internet-based platform and provides a full range of global transaction banking solutions. Features within the platform include a cash forecasting service, an innovative solution to improve treasury operations by capturing the past changes and future forecasts of clients' global cash positions. The Vendor Finance System and Trade

Manager are COMSUITE online platforms dedicated to increase operational efficiency and convenience for the bank's clients.
