Singapore June 8th 2017 — Joseph N.C. The awards ceremony was held in conjunction with the prestigious Asian Banker Future of Finance Summit 2017, the foremost annual meeting for decision makers in the financial services industry in the Asia Pacific region, held at the Asian Civilisations Museum, Singapore.

Under Joseph N.C. Huang's leadership, E.SUN Commercial Bank ranked second strongest by balance sheet strength in the country in our annual AB 500 Strongest Bank ranking. It is one of the first banks in country to embark on a strategic digital transformation, launching many digital only products and services, such as online loan application and digital payments, in 2014 and 2015, respectively.

Huang communicates a clear transformational vision and has also set out plan to upgrade the technology architecture and infrastructure with new core banking and branch systems. The bank has a leading market position in wealth management and credit cards. It has also doubled its overseas footprint in the last three years, especially in Southeast Asia, where it has become the first bank from its country to open a full branch in Myanmar. He was also previously awarded Transaction Banker of the Year in Asia Pacific by the Asian Banker.

This award is made in conjunction with the Leadership Achievement Award in the belief that true leadership results in strong and sustainable franchises, either at the local or regional levels.
